

# THE ULTIMATE TEST OF SKILL, STRATEGY AND NAVIGATION.

They'll never  
catch us!

The Equinox Challenge takes place in Delamere Forest, and is a hybrid of orienteering and manhunt, whereby Scouts have to collect points from various locations throughout the forest, whilst evading capture from Explorer and Network teams who are looking to steal your points!

**SO, THINK YOU'RE UP  
FOR THE CHALLENGE?**

Start getting your mates together and ask your leader to enter your team!
